**Re: A.04-10-009: Application of San Diego Gas & Electric Company for
Section 851 Approval of Lease Agreement With Ramco**

Dear ALJ Brown:

On October 8, 2004, Chief Administrative Law Judge Minkin issued a ruling in the above-referenced proceeding. Ordering Paragraph #3 of that ruling states: "SDG&E is required to provide to the assigned ALJ information regarding which ratemaking accounts the land to be leased has been booked by SDG&E. SDG&E must provide this information to the assigned ALJ by October 12, 2004, and serve that information on parties to the service list for R.04-04-003."

In response, the land to be leased to Ramco is booked to FERC Account 340. If you have any follow-up questions, please let me know.

Sincerely,
